2021-2022 Commitment to Excellence

We, the parent(s) and student, have read the Midway Panther BAND MANUAL for the High School Bands. We have also reviewed the calendar and agree to comply with procedures deemed necessary for any absence that is foreseen. We agree to abide by these documents in order to make the Midway Panther Band program the best it can be. We understand the responsibilities that come with being a member of the Midway Band and will accept the decisions of the band directors.
